The Crest

The crest, or logo, of Hyles-Anderson College is a symbol of the goals of the college.

In the following pages is a description of Hyles-Anderson College's crest. Each part of the crest stands for ways that the college and the First Baptist Church of Hammond influence each student.

The Lyre

One facet of the Hyles-Anderson College logo contains the lyre. The lyre symbolizes the cultural standards of the college. Appropriateness is stressed at Hyles-Anderson College. Men are taught to be true gentlemen who can play football, hold the door for a lady, and enjoy classical music. True culture is not becoming better than everyone so you can look down on them, but knowing how to enjoy what is right and wholesome. Students are trained in the appropriate way to date and then how to have a happy marriage. Students are given information on how to be appropriate in any given situation.

"Honor And

Majesty

Are Before Him."

- Psalm 96:6

The Lamp

The lamp of Hyles-Anderson College's logo emphasizes the knowledge which the college endeavors to impart to each student. Well-qualified, experienced educators work with the students to develop academic excellence. Students who are having problems with their studies may attend "help classes" sometimes held by the faculty or may seek individual help from the faculty. The faculty is not interested in giving students useless knowledge, but principles which have been tried and proven. All courses are taught by teachers who are experienced in their fields. Faculty members who teach Bible have been pastors, evangelists, or are knowledgeable Bible teachers.

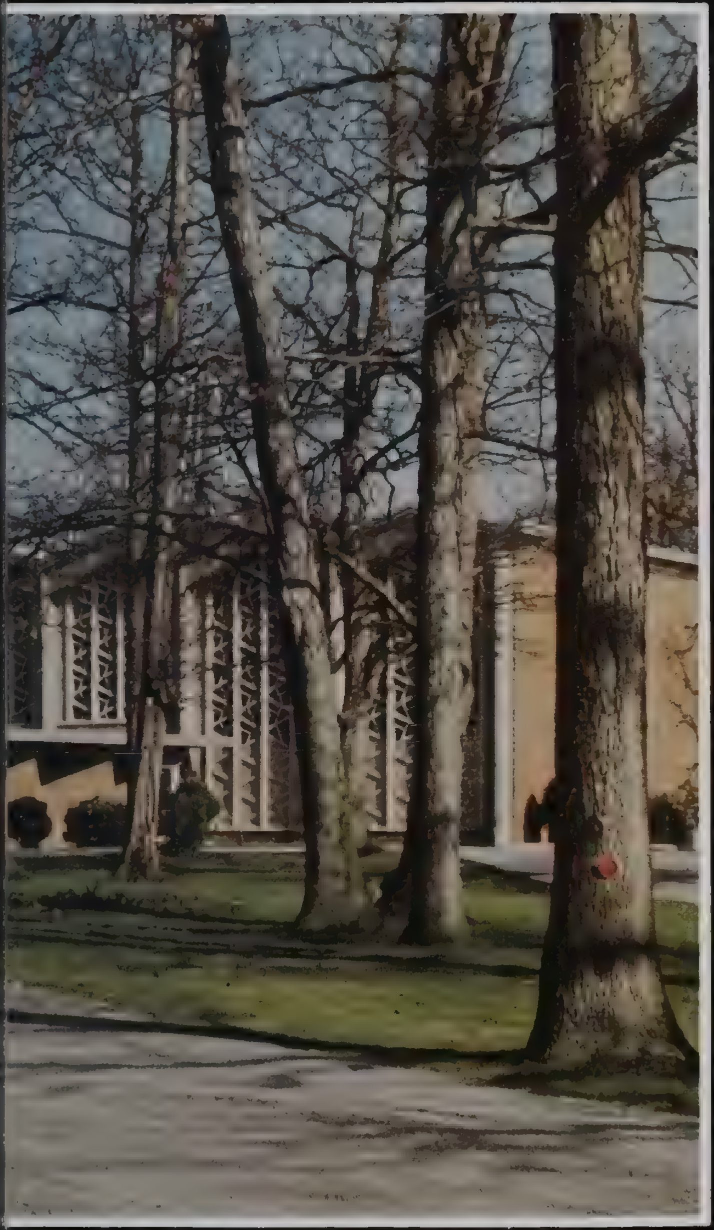
The More You Know, The More

You Can Do For The Lord!

The Lion

Strength is an essential factor in everyone's life. Part of each student's training is symbolized by the lion on the Hyles-Anderson College logo. Not only are facts and principles taught at Hyles-Anderson College, but each individual's character is improved. Each student is led to do what is right no matter what the cost. Hard work, courage, integrity, and steadfastness are stressed. Students are not only trained in God's Word, but are taught to stand for the Bible as long as they live.

"Strength And Beauty Are In His Sanctuary." Psalm 96:6



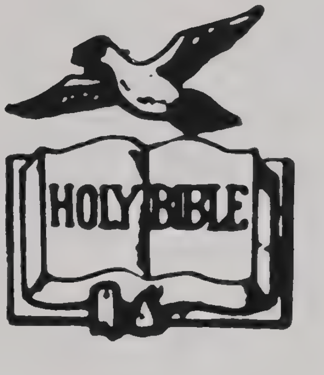
The Holy Bible

In the upper left hand corner of the Hyles-Anderson College logo is God's Word. Here we see the spiritual emphasis of the college. The administration of Hyles-Anderson College is a group of Godly men who daily seek God's leading concerning the decisions they make.

> "... ***God has always blessed those individuals and institutions who have firmly stood for the fundamentals of the faith. Hence, Hyles-Anderson College has determined to maintain Biblical standards of conduct and practice."***
>
> ***— Dr. Jack Hyles***

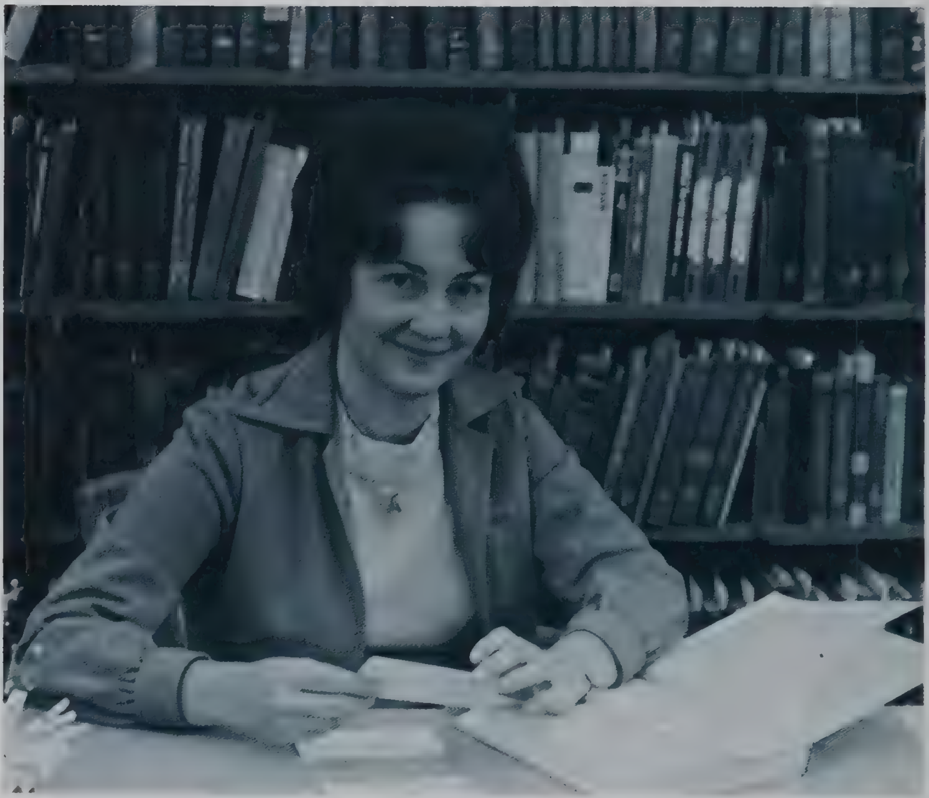
Classes starting with prayer, daily preaching, singing in the chapel services, church services, Bible study, prayer, and soul winning all direct the student to a Christ-centered life.

"And The Word
Was Made Flesh,...
Full Of Grace And
Truth." John 1:14



The Scales

Hyles-Anderson College is an institution which strives to be fair and just in every phase of its work, as represented by the set of balances in the college's logo. Many people would consider a college with enforced rules to be harsh. Hyles-Anderson College clearly states the rules and gives each student the opportunity to discuss infractions with the discipline counselor. The administrators, faculty, and staff members love the students and try to direct them in the right way.



"What Doth The Lord
Require Of Thee,

But To Do Justly...?"

Micah 6:8

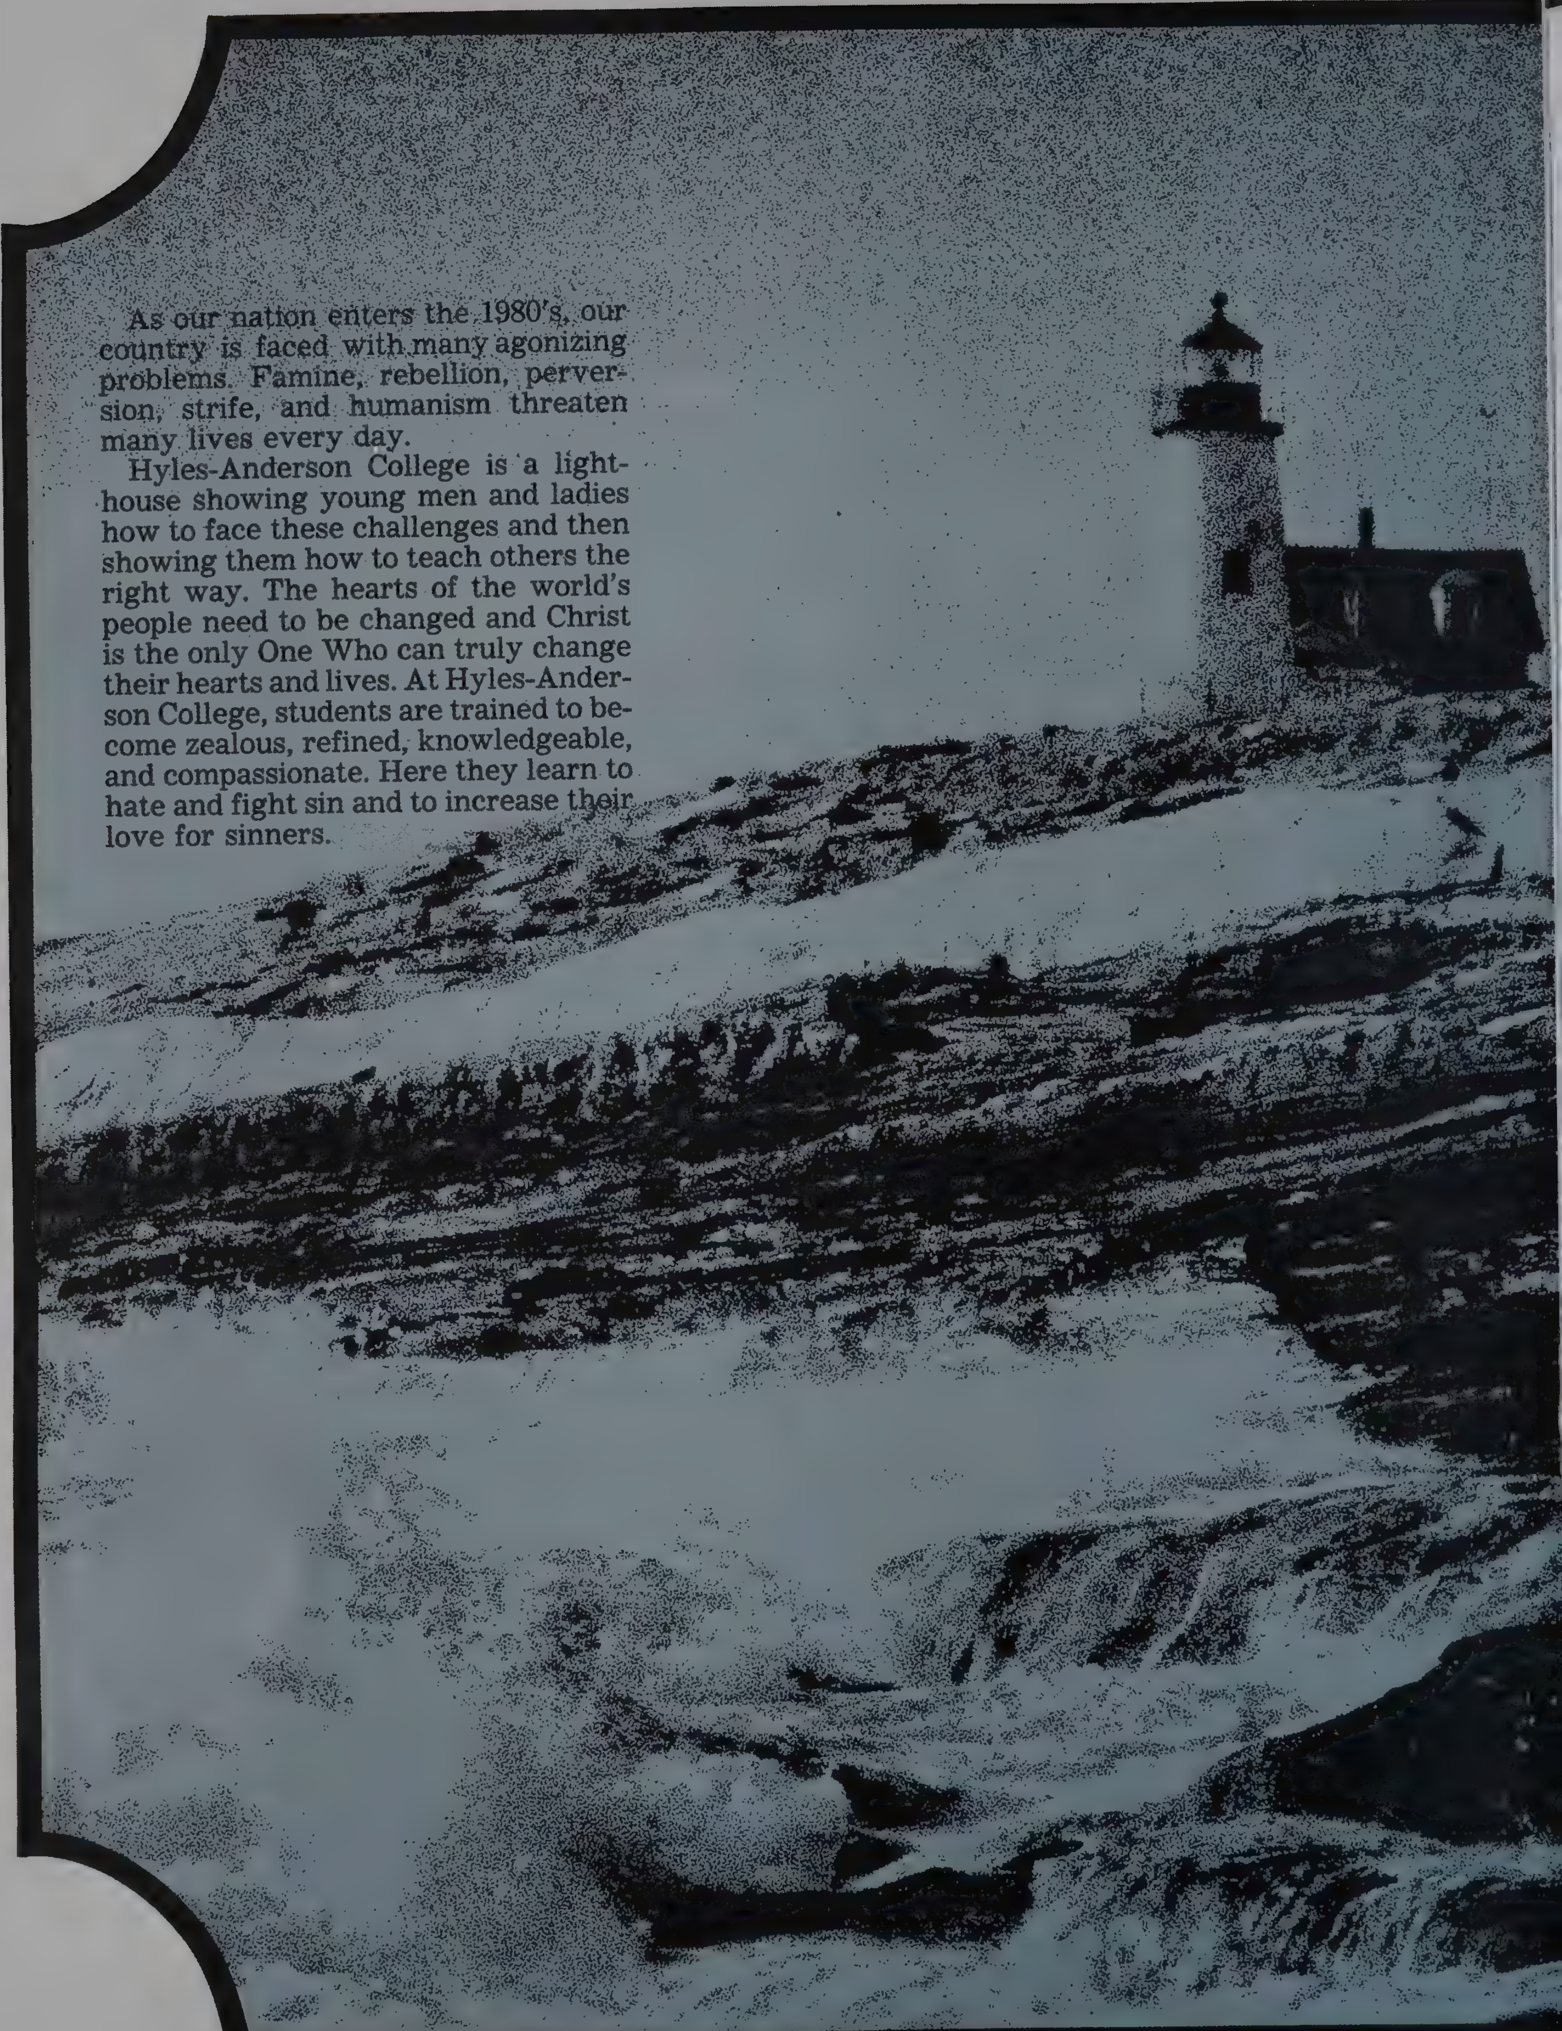
The Rose

The bouquet of roses on the logo represents beauty. A well-balanced Christian not only will stand for what is right but will be kind and loving while he stands.

Students are encouraged to work with people as much as possible. Christ while on earth stood for right and preached the truth. He cast the money changers out of the temple, yet He used birds for illustrations and had the children come to Him.

Students are trained to stand against and hate sin. Also, they are trained to love the sinner and help him in any way possible.

God's Standard Of Excellence Is Going Beyond Yourself To Help Others.

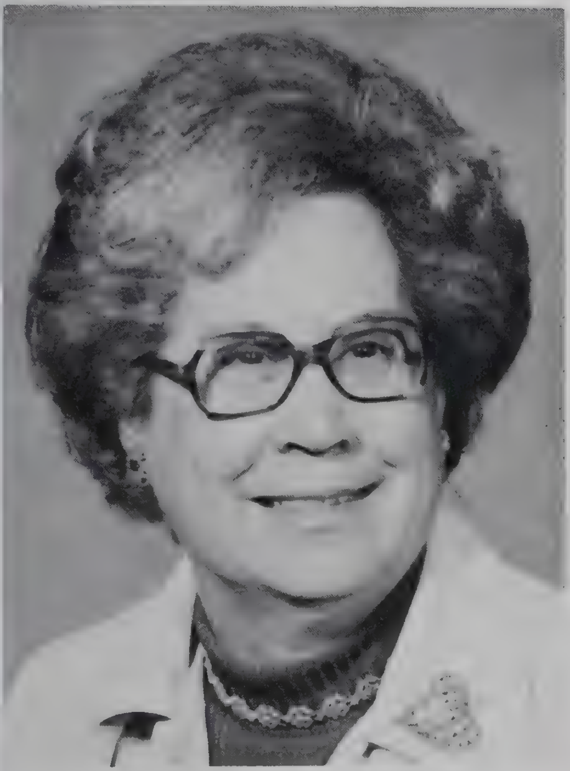


As our nation enters the 1980's, our country is faced with many agonizing problems. Famine, rebellion, perversion, strife, and humanism threaten many lives every day.

Hyles-Anderson College is a lighthouse showing young men and ladies how to face these challenges and then showing them how to teach others the right way. The hearts of the world's people need to be changed and Christ is the only One Who can truly change their hearts and lives. At Hyles-Anderson College, students are trained to become zealous, refined, knowledgeable, and compassionate. Here they learn to hate and fight sin and to increase their love for sinners.

The 1980 Caber is dedicated to a kind and gracious lady . . .

. . . MRS. EARLYNE STEPHENS.



Mrs. Stephens is the college's Bursar and has been in charge of bookkeeping at the college since its beginning. Mrs. Stephens is an excellent example to follow as a Christian. She is a hard worker and very dedicated to her job. Mrs. Stephens is a soul winner and teaches the Fellowship Class at the First Baptist Church of Hammond.

Characterized by a sweet disposition, Mrs. Stephens is always friendly, and even when she must correct someone for a mistake, she does so in a loving way. She has said that her most consuming thought has been, "I want to care for the finances of Hyles-Anderson College the way Preacher wants."

Mrs. Stephens has over twenty years of bookkeeping experience and follows what Dr. Hyles calls the "law of the Medes and Persians,"-"If you don't have it, don't spend it." It is extremely rare to find a person who can handle finances and human relations with the expertise we find in this lady. We can tell by Mrs. Stephens' actions that she truly loves the college students and wants God's best for them.

Mrs. Stephens wrote an article in ***Christian Womanhood*** where she stated, "If you have financial problems, all you will think about is money. Think with me on some things that are so much more important than money:

1. Knowing God is much more important.
2. Sweet relationships with others is so much more important.
3. Kindness toward others is so much more important.
4. Doing right, having a good name, being honest is much more important."

Mrs. Stephens is a true servant. Her long work days are spent on the finances of the college. She is also in charge of the finances of all the schools operated by the First Baptist Church of Hammond.

Mrs. Stephens is Dr. Hyles' sister and devotes much of her time and life to her mother whom we know as "Grandma Hyles."

Mrs. Stephens is a lady who has given her life to others and the college family appreciates her devotion to the Lord's service.

"Your expenditures cannot exeed your income."

"Do not buy it if you do not have the money!"

THE SECRETARIAL PROGRAM TRAINS CHURCH AND SCHOOL SECRETARIES.

Are good secretaries good Christians? The purpose of the Secretarial Program is to train young ladies with a good knowledge of business procedures and secretarial skills and to train them in church work and the Bible. Yes, good secretaries can and need to be good Christians.

Each needs to be an example to the people who come to the church or Christian school.

CHAPEL

Each weekday all of the students on the campus go to the Beiler Auditorium for chapel. Excitement fills the air as each student anticipates the special events which are to follow.

Next, Dr. Evans steps to the pulpit and leads the student body in a gospel song such as "The Pearly White City," "All Hail Immanuel!" or "I Want That Mountain." After the song, prayer requests turned in by the college family are read and a faculty or staff member prays for these needs. The announcements for the day are then given, followed by a gospel song from one of the college's singing groups.

The last half of the chapel service is devoted to preaching. Administrators, faculty members, and preachers from across America daily inspire the students to live their lives according to the principles set forth by God's Word.

PRAYER AND BIBLE STUDY CHANGE OUR LIVES.

As students have read their Bibles and prayed, God has changed their lives and their desires. They have opened their eyes to see the situation in our nation. As they have gone into Chicago and the surrounding suburbs, they have realized that millions of people are lost without Christ and without hope for having the true happiness that comes from knowing Jesus.

MONDAY AND THURSDAY SOUL-WINNING BUSES RESULT IN SOULS SAVED.

1

SOULS

Buses left the campus every Monday evening and Thursday after lunch to take many of the college students to different communities near the college.

Students visit in pairs with several pairs going down each street. Every week dozens are won to the Lord. Decision slips are filled out on each convert, and these are divided up and given to follow-up teams. These teams go to the converts' houses, give them verses on assurance, and then invite them to church. This past year many of those who were saved as a result of the Monday and Thursday soul winning were brought to First Baptist Church, made a public profession, and were baptized.

Fishermen's Club

1

Each Saturday morning the Fishermen's Club meets at Obie's Restaurant for breakfast and a time of training. Mr. George Godfrey, who teaches Personal Evangelism and Bible at the college, is in charge of the Fishermen's Club for the college men. After breakfast, different helps are given to win souls, get people to church, and have converts baptized. After the meeting, the men leave in pairs. In each pair is a trainer and a trainee. The trainer shows the trainee how methods taught at the meeting are put into action. This ministry sees many saved and baptized each week.

The Phoster Club is a ladies soul-winning group led by Mrs. Fay Dodson. The Phoster Club is divided into two parts. One group is composed of many of the college dormitory ladies, and the other group is composed mostly of married ladies. The dormitory ladies meet in the college cafeteria at 11:30 a.m. each Saturday. This meeting is led by Mrs. Faye Dodson who is helped by Mrs. Rita Weaver and Miss Marsha Schultz. Mrs. Dodson and Mrs. Weaver spend time at these meetings teaching the ladies how to become better soul winners. After the meeting, ladies are taken by bus to different areas and win many souls.

THE BUS MINISTRY

Transporting thousands of people each week is a task which requires many hours of planning and hard work. Each week hundreds of people give up most of their weekend to visit their bus routes and take people to church.

Saturdays begin with the 7:30 a.m. bus division meeting where students meet to go over plans and work out problems for the bus routes. Prayer, singing, and a time of exhortation prepare the bus workers for the day of visitation.

After the meeting, the ladies from each division are driven to their routes in a bus, while the men drive their cars to the routes. The rest of the day is spent visiting regular riders and knocking on the door of the route looking for new prospects.

Sunday morning finds many workers getting up at 4:00 a.m. and preparing to go to their bus routes. After the bus is picked up and many other details are taken care of, the bus heads for the route and soon arrives back at the church with a load of children, teenagers, and adults.

The nurseries of "B," "C," and "D" Sunday school are an important part of the First Baptist Church. Many may wonder how the lives of these young children can be changed and trained to live for Christ. The Sunday school superintendents and her workers try to instill in these children the importance of behaving and that Sunday school is fun.

When most people think of a nursery, they picture in their minds sweet little children, but as one Sunday school superintendent reported: "This is not always true. Kenny was a battle of wills from the day he entered our department." This superintendent invested her time in this child by going to teachers for advice and by working with Kenny.

"A lot of time, prayer and love went into this boy. He is not perfect, but he has greatly improved." Kathy Fowler, Terry Ware, and Kim Bonesteel served as Sunday school superintendents this year.

Beginner children are four and five years old. Almost all of these children cannot read or write, and they have a very short attention span. These two factors provide an interesting challenge for the Sunday school teachers in this department. Approximately every five minutes the program has to change to keep the children's attention; this means that on a normal Sunday over twenty-four different segments have to be prepared.

During the Primary years of Sunday school, many children realize for the first time their need of the Savior and are saved. These first and second graders learn quickly, so the teachers' responsibility is to make sure they learn the right things.

The Junior departments are filled with excitement. Hundreds of fourth, fifth, and sixth graders ride the church buses to church every Sunday.

During the Fall Program, one of the Junior departments crowned a king and queen each Sunday, one formed a girls' singing group, one held a boxing match between the devil and one of their workers, and one had a western theme. Each of these ideas portrayed to these young people teach the importance of following what the Bible teaches, how obedience brings rewards, and the results of disobedience.

Junior Church

2

Junior Church is an exciting time as hundreds of third, fourth, fifth, and sixth graders come together in the main auditorium of the First Baptist Church.

As the children enter the auditorium, they are directed where to sit. The service includes singing, announcements, a Gospel message, and an invitation. At the end of the service those wanting to be saved are led to the church's Fellowship Hall where they are carefully dealt with concerning salvation. If a child asks Christ to be his Savior, he is questioned by different people to be sure he understands what he has done, and any questions are answered.

Those wanting to be baptized are led to the baptismal dressing rooms. Each week dozens of youngsters are baptized. Often you can see on the glass front of the baptistry that several inches of water have gone from the baptistry because of the many, many converts' baptisms.

Teenagers are at an age when many decide in what direction their lives will go. Teachers give themselves to direct the teens in the right way to live.

The goal for the Fall Program was to teach the teenagers to be "Super Christians" by forsaking the old life and sinful habits. Each week teenagers were given points for reading and memorizing the Bible, praying, dressing properly, and behaving in church. Weekly, "Super Christians" were chosen, and the boy and girl with the highest points for the whole program received trophies.

Sunday school against a particular sin, and the sin again was preached on in church. One Sunday the "Old Crowd" was the theme. A Sunday school lesson was taught on this; then during church a skit was presented with "New Convert" being rescued from the "Old Crowd" by "Super Christian." Good Christian friends and Christian schools were emphasized on this Sunday.

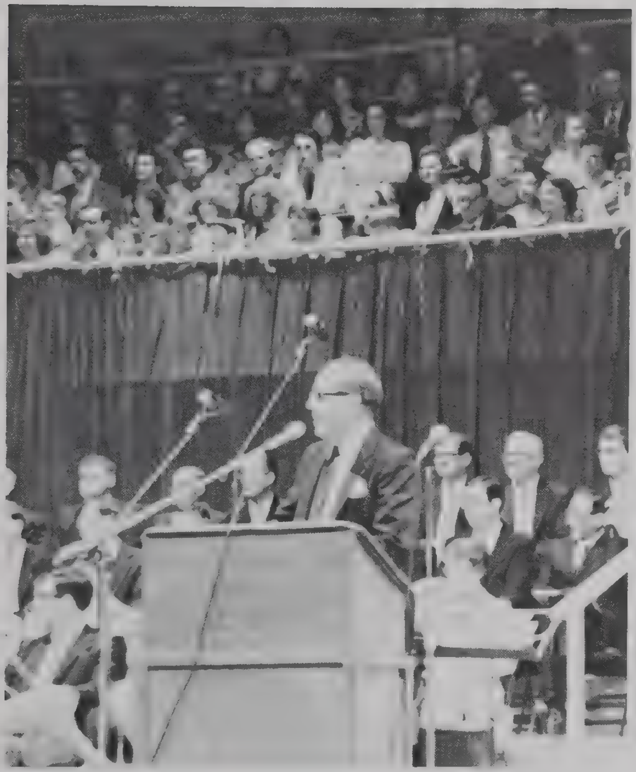
Teenagers

The First Baptist Church of Hammond was our home church for nine months. After a few weeks we did feel "at home" as we met many people who have been at the church for several years, such as Mrs. Harriett Goodlow or Mr. Ed Rausch, the Chairman of the Deacons.

The people of the church have sacrificed much to give us Hyles-Anderson College. We owe many debts to the people of First Baptist Church for what they have done for us.

Dr. Jack Hyles



Our Preacher

"Preacher" holds a special place in each student's heart. As Dr. Hyles preaches on Sunday morning, we see his love for sinners, those who have problems, or individuals who are in trouble. It is not unusual to see Dr. Hyles laughing or shedding a tear during a service.

During the Sunday evening question and answer session, Dr. Hyles answers questions asked by the church members. Our preacher often amazes us by how much knowledge he has on a wide variety of subjects. We are excited by his answer to a Bible question and also enjoy hearing what he has to say about the Cubs' latest defeat.

On Sunday evening Dr. Hyles' preaching touches our hearts and has been used of God to change our lives.

The Wednesday Evening Bible Study is a time of teaching God's Word.

Dr. Hyles uses a variety of methods to teach Bible principles which convey a message to the children, teenagers, the manual laborer, the white collar worker, the college professor, and the grandparent.

Brother Hyles is an amazing man, because he has yielded himself to the Lord to help his people.

SPECIAL MINISTRIES

THE DEAF, SPANISH, BLIND, AND EDUCABLE SLOW DEPARTMENTS.

The Deaf, Spanish, Blind, and Educable Slow Sunday School Departments are demonstrations of the love of Dr. Hyles and the people of First Baptist Church. This concern for those who are not able to understand a regular church service without special help has tremendous results. An example of this is the Deaf Department which had 171 publicly profess Christ and 160 baptized at First Baptist Church during the past year.

THE MANDEL BUILDING

The Mandel Building is located near the church and is used as a place for students to go after they are finished with their duties for the Sunday morning services. It is a place where students may fellowship, study, write letters, read, etc. Super is served here before the evening service.

1. Students prepare to leave the main room of the Mandel Building to go to the Sunday evening service.
2. Joe Villari studies in the Mandel building for a test.

THE BIG DAY

What is a "Big Day"? One Sunday of the Spring Program was set aside to see how many people could be reached with the Gospel. This day was a success because of the hard work put in by everyone. This hard work included prayer, phone calls, driving, visiting, meetings, fasting, cooperation, and each person giving their all. Thousands were saved and tens of thousands heard the Gospel. On May 6, 1980, 171,473 people heard the Gospel, with thousands accepting Christ as their Saviour. The "B," "C," and "D" buses carried over 13,000 passengers on this one day. Others came on the "A" buses, and drove cars. Many were reached in parks, rest homes, and other meetings.

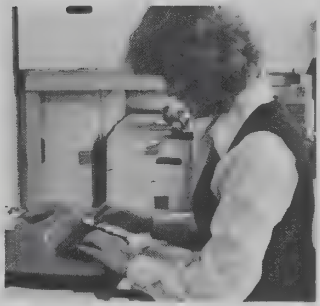
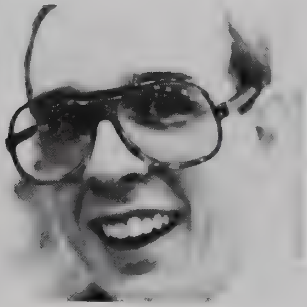
STUDENT LIFE



STUDENT LIFE



The girl's dormitories at Hyles-Anderson College have an unusual atmosphere. Hundred's of young ladies from all across America, with varied backgrounds, come and live together to learn how to better serve the Lord.

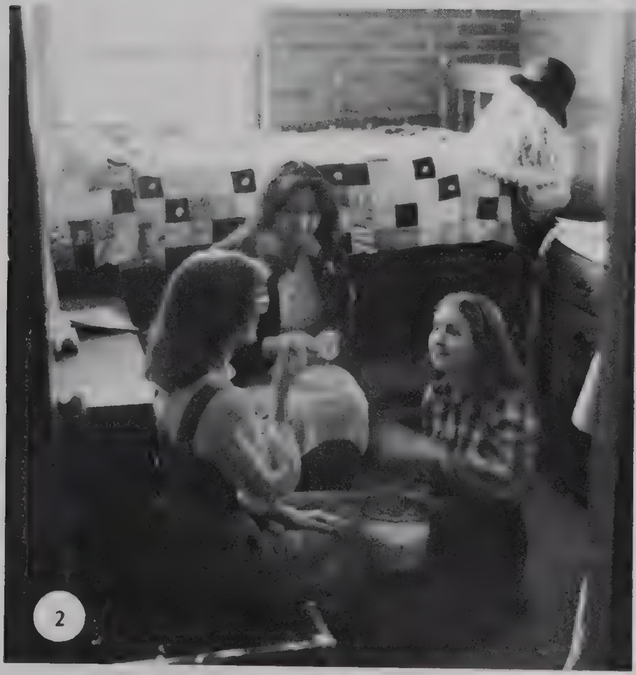
THE GIRLS' DORMITORIES

①



②

The week contains many different activities such as going to classes, attending chapel, performing work scholarship duties, cleaning the room for inspection, going to meals, doing laundry, going shopping, or to the library, attending activities, listening to the dorm devotions, riding the bus to church, and much more.

At first glance, all of the rules governing where and when girls can go places or do things might seem too restrictive, but after thinking awhile, these dormitory girls realize that the college family loves them and wants to protect them and help them to go in the right way.

Dormitory supervisors spend hours each day trying to help the girls who live on their dormitory floors.

Special events are planned for the girls such as picnics, short trips, pizza parties, Christmas parties, and much more.

Many girls enjoy little things such as popcorn after a hard study session with other dorm girls.

The girls' dormitories are the ideal place to live, learn, work, and have a good time of fun.

THE MEN'S DORMITORIES

Dormitory life is convenient and educational. The men living in the dorms are able to be near all of the college's facilities and have transportation to church services provided for them. Here men learn how to get along with others. Men learn to work out problems arising from different habits and backgrounds. What one fellow was always taught to do, the other fellows may think is ridiculous. One roommate may like to sleep with the windows open, while the others in the room are freezing! Dorm life teaches each student that he cannot be selfish and have everything his own way.

The 1980 Caber was a result of hundreds of hours of work. A special word of thanks goes to Rhonda Durbin who faithfully did a variety of jobs and to Reynold Gardner who went beyond the call of duty in photography and helping in many different ways.

The ideas and help of Bob Henning, the yearbook representative, and John Blubaugh, who developed the opening, were also greatly appreciated.

SECURITY GUARDS SERVE!

Hyles-Anderson's Security Department has a unique duty. Their job is to prevent problems and to take care of emergencies. They have done their job well. All of the guards have had police training and three are currently part-time policemen. They direct traffic, escort guests, man the Information Desk at night, and a variety of other duties. Many students do not realize that while they are asleep, security guards are checking the entrances, patrolling the halls, and watching the grounds to keep the campus secure. The guards check the main campus, the Baptist City campus, and many of the buildings owned by the First Baptist Church.

2. The Ambassadors sing "Shepherd of Love."

Concerts at Hyles-Anderson College do not major on classical music but focus on the music which changes lives — Gospel hymns. Musicians are trained not to perform in concert halls, but in a local, New Testament church. The concerts held this year featured senior recitals and several followed themes centered around the seasons of the year. Especially appreciated this year was the hard work of Mrs. Eidson, Mr. Gephart, Mrs. Godfrey, Mr. Sandgren, and Mr. Weaver, each of whom worked with college musical groups.

1. The Brass Ensemble plays "Come Thou Fount." The Ensemble includes Larry Pierce, John Newbill, Rick Young, Roger Pierce, Steve MacCormack, and Tom Pryde.

STUDENT ACTIVITIES

OPENING DAY, 1979

THE OPENING DAY OF THE 1979-1980 SCHOOL YEAR WAS FILLED WITH EXCITEMENT.

Students returned who had been gone all summer, and many new students arrived.

Horse and buggy rides, hot-air balloon rides, and a special meal were but a part of the fun and joy experienced on this first day.

Students, faculty, and staff members were welcoming those who were new and showing each individual what to do and where to go.

1. A delicious meal of chicken, corn on the cob, peas, rolls, tossed salad, and ice cream is served.
2. Linda Jirovec enjoys her fried chicken.
3. Hot-air balloon rides are exciting for the more adventurous at heart.

HUNDREDS OF STUDENTS DONATE BLOOD.

Two special days were set aside during the fall so that students could donate blood. The Red Cross set up a donation center in the college's Reading Room where students could go between classes to donate blood. Five hundred and sixty-six students came to donate blood which benefited approximately nine hundred and thirty-four people.

Every week skits or special presentations are given in chapel. These inform the students of upcoming events in a humorous or memorable way. Presentations are made to acknowledge the work accomplished by certain individuals.

FOOTBALL

In 1979, Intramural Football was a power-packed season of pugnacious playing. This season ended in a thrilling clash between the N.F.C.'s Calvary Cowboys and the A.F.C.'s Rampaging Rams.

Classes were dismissed for Super Bowl I. The student body gathered at the football field on a very cold day to see the climb action traction of the Rampaging Rams squeeze by the Calvary Cowboys in a close 16 to 14 game.

VOLLEYBALL...

... provided the dormitory girls an excellent opportunity for fun, excitement, exercise, and relaxation.

Over eighty girls were involved in this year's intramural volleyball games. Eight teams were organized. This season led to many battles as each group of girls anxiously tried to enter the 1979 Intramural Volleyball Playoffs. Two teams had distinguished themselves by the end of the season and were anticipating the fall's final three games to decide which team would win the 1979 championship.

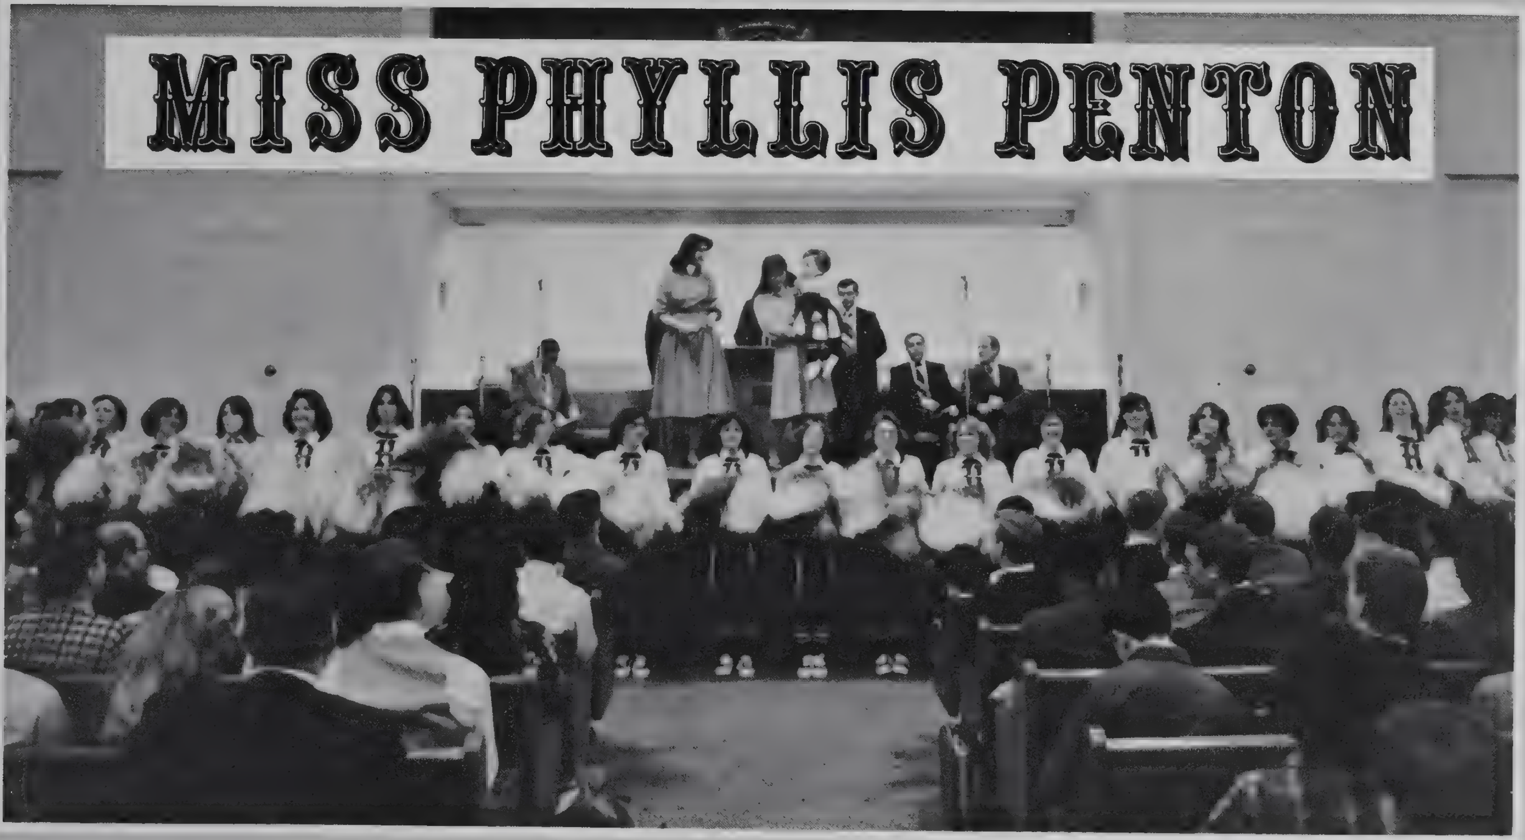
MISS PHYLLIS PENTON



The greatest gifts sometimes come in small packages. Such is the case with Miss Phyllis Penton, our college mascot. Phyllis Penton, a Tennessee Temple graduate, came to Hyles-Anderson College in January of 1975, and now serves as a living example of the fact that we have no right to complain.

Thursday, January 17, the Hyles-Anderson College cheerleaders honored Miss Phyllis Penton by presenting her with a uniform and a title that will always be hers, that of "mascot." Yes, Miss Phyllis may only stand thirty-four inches high, but in the hearts of every member of the college "family" here, she's a giant.

Our thoughts and prayers were with her on January 17, 1980, for not only did we honor her as mascot, but many of us said goodbye to her as she left the college awaiting critical surgery. It all could be summed up with a quote from the doctor who was to perform surgery on little Miss Phyllis: "Phyllis, I don't want to lose you. I need you too much." Who doesn't need a Phyllis Penton, a tower of strength even in her weakest moments?

ACTIVITIES GIVE REFRESHMENT, INFORMATION, AND RELAXATION.

1. During the week when Dr. Rice was speaking in chapel, an afternoon was set aside for a special question and answer session with Mrs. John R. Rice. Mrs. Rice is a successful wife, mother, and grandmother who gave valuable advice to all who came to this meeting. Mrs. Sielschott moderated this program held in the Eagle's Nest where any college lady could come and ask Mrs. Rice any type of question.

2. Ladies who are members of the Hylander Wives' Fellowship provided baked goods for a sale being held to benefit the cheerleaders who were purchasing new outfits. Cheesecakes, pies, cakes, cookies, cupcakes, brownies, and candies were being sold at a rapid pace.

The Hylander Wives' Fellowship met on the second and fourth Tuesdays of each month. At this meeting many of the students' wives met for a time of training and fellowship under the direction of Mrs. Jack Hyles.

One special evening included a question and answer session. At this time, wives were able to ask Mrs. Elaine Colsten, Mrs. Marilyn Jorgensen, Mrs. Pat Hays, Mrs. Paula Hyles, and Mrs. Beverly Hyles a variety of questions. Mrs. Lynn Lively moderated this meeting.

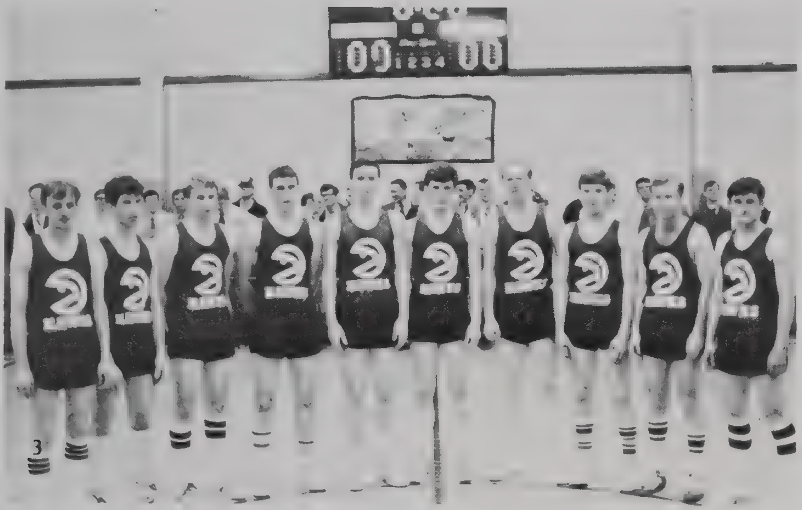
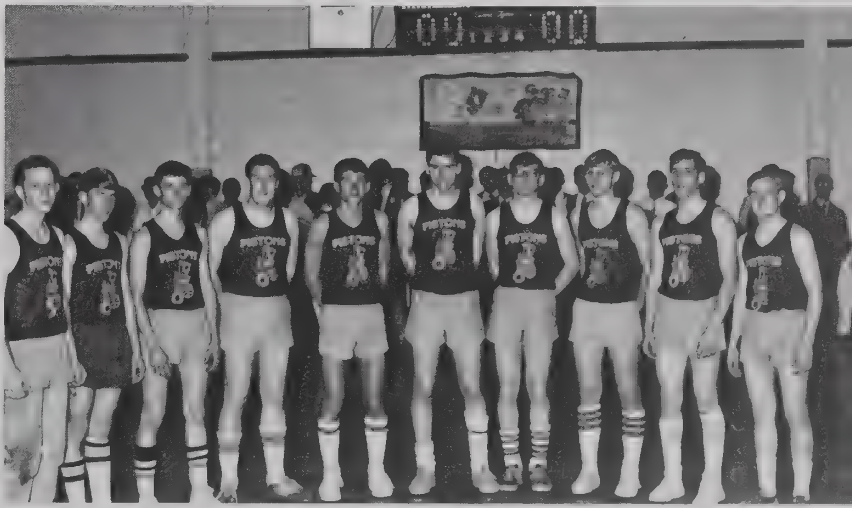
Intramural basketball saw quality play as the players developed their skills this season. The "ABA" and "NBA" leagues were started at the beginning of the season with five teams in each league. This year's season was especially exciting as the players combined muscle and sweat, with pose and poetry in motion.

All of the teams played hard, hoping to make it to the end-of-the-season playoffs. Two teams distinguished themselves and survived to be pitted against each other in the championship game.

The Hustling Hawks represented the "ABA" and the Pulsating Pistons represented the "NBA." As the game progressed, each group of men showed why their teams were in the championship game. It was interesting to watch as last year's most valuable player, Rick Wood, met head to head with this year's most valuable player, David Hoffman.





When the final buzzer had sounded, the Pulsating Pistons had beaten the Hustling Hawks.

INTRAMURAL BASEBALL DEVELOPS COMPLETE COORDINATION.

1. Mike Stout thinks he has an out.
2. The ball beats the runner by inches.
3. Roger Casteel hits a single off of Ken Smith.
4. Was it a hit or a miss?

Complete coordination was the result of this year's baseball season as the players worked with their eyes, mind, hands, and feet. Excitement filled the air as the students watched the chapel skits and saw the wall posters for intramural softball. Intramural softball provided relaxation, development of leadership, and learning how to cope under a pressure-filled situation.

Intramural softball was a time when the men could develop character. This refers to Mr. Scott's goal for intramural football. Men entering full-time Christian service need to learn to control their temper and tongues while under pressure. Also, men need to learn to give their all in whatever they are doing.

The season was finished by the playoffs which put the best two teams in each league against one another. The final game saw the Expos defeating the Cardinals.

WOMEN'S INTRAMURAL SOFTBALL

This year's women's intramural softball season was as exciting as it was for the men. Six teams battled each other for the championship of women's intramural softball. It was a time for exercise, a break from studying, and a time of just plain fun. The spirit was great and fast-paced. As the season came to a close, two teams led the others in the winning category. The Rookies and the Eagles ended up facing each other in the championship match-up. Led by Debbie Bradick, and with the pitching arm of Rhonda Durbin, the Eagles soared to the championship position.

Cheerleaders

Cheerleading at Hyles-Anderson College has an unusual approach to it, in that the large number of intramural teams require several cheerleading squads. Cheerleaders were chosen by a committee of staff members who worked with the Activities Department. Many girls were chosen to join the squads.

An unexpected addition to the petting zoo was the birth of three baby goats. Many children and adults were excited to see these added attractions at such an early age.

During the second semester a petting zoo was brought to the college. Between classes students went to the lobby and were delighted to be able to see and pet animals of all sorts. There were animals which people see on a farm and unusual animals, such as llamas and yaks. Married students brought their children over later in the day to visit the free attraction. Wide-eyed children walked among the goats, sheep, Scottish bull, and many others. Food was available to feed the animals which turned out to be an unusual and wet experience.

VALENTINE'S BANQUET 1980

One of the high points of the year was the 1980 Valentine's Banquet. The Activities Department spent hundreds of hours on this February 12th extravaganza. The students, faculty, and staff went to the reserved room at the Holiday Inn in Merrillville at 6:30 p.m. After everyone was seated, a delicious meal including a garden salad, veal T-bone steak, baked potato, glazed carrots, green beans almondine, rolls, and chocolate parfait was served. Everyone enjoyed this time of feasting and fellowship.

A program was presented following the theme "Lovest Thou Me?". The three different types of love were presented by skits and songs.

The first type of love presented was romantic love, or "eros." Mr. McSpadden made a few comments about romantic love and then introduced the skit, "If I Ever Were in Love," which was based on Louisa May Alcott's ***Little Women.*** Pat McCloskey sang "I Can't Help Falling in Love With You" followed by And Condict and Kim Lewis singing "My Sweet Valentine."

The second type of love, friendship love or "philos," was described by Dr. Evans. This part of the program was humorous, featuring "Bud and Bertha" and "Roadhog and Ruby,"Bud and Bertha," alias Mr. and Mrs. Frye, sang several funny songs and had the audience join them. "Roadhog and Ruby," alias Gary and Patsy Linton, presented songs and jokes with a country flavor.

The third type of love, God's love or "agape," was presented by remarks from Dr. Evans and several Gospel songs. Kim Burnham sang, "Such Love." Andy Condict, Kim Lewis, and Pat McCloskey sang "Love Was When." Pat McCloskey sang "The Way That He Loves," and Cindy Zych sang "Oh, How He Loves You and Me."

In January the snow was deep on the ground and the winter "blahs" had set in on the student body.

At eleven o'clock the chapel doors were opened and each student was surprised as they entered. Hawaiian music was playing and the platform was covered with sand, tropical plants, and a tropical backdrop. Dr. Hyles and Dr. Evans entered the auditorium wearing flowered shirts and sunglasses, acting like holiday vacationers. Dr. Hyles declared the next day as Hawaiian Day.

Fresh fruit from Hawaii was served for breakfast and for lunch a luau was prepared. Students played miniature golf, went bowling, and relaxed throughout the day.

EFENSE

EFENSE

A special day of recognition was held during the spring semester for Mr. Gephart. Mr. Gephart came to Hyles-Anderson College in 1976.

In 1977, the doctors informed him that he had cancer. Many times Mr. Gephart has been in pain from the special treatments he has been undergoing, but he has been in his place teaching or playing the chapel piano. Near the end of the school year, Mr. Gephart decided to leave the faculty because of his health to spend more of his time writing music.

THOUSANDS OF LADIES ATTEND THE CHRISTIAN WOMANHOOD SPECTACULAR.

The auditorium is filled during this session.

A packed auditorium at the First Baptist Church of Hammond was the place where the fifth annual Christian Womanhood Spectacular was held. This spectacular was unique in it's theme — "Broken Things," which was portrayed by special guests who taught the ladies at the meetings that each of us presently have or will have broken things in our lives.

Mrs. Evans led the meeting, which was started by Mrs. Beverly Hyles singing, "The Healer of Broken Hearts," and then several sessions were held using guest speakers. During the Friday night of the Spectacular, Dr. Evans presented Mrs. Beverly Hyles and Mrs. Earlyne Stephens with Honorary Doctoral Degrees from Hyles-Anderson College.

Mrs. Beverly Hyles is a faculty member at Hyles-Anderson College. She instills light, inspiration, character, modesty and appropriateness in those around her.

Mrs. Stephens is a lady who is very balanced, teachable, and a hard worker. Mrs. Stephens is a faculty member at Hyles-Anderson College and serves as the college's bursar. She daily brings joy to others' lives.

The Spectacular was packed from start to finish with material, ideas, and much more to help change lives. Quotes are listed below from only a few of the many speakers.

Mrs. Evans — "People need love the most when they deserve it least."

Mrs. Pat Hayes — "You are affecting everyone by your attitude."

Dr. Hyles — "Live tomorrow like you planned yesterday to live today."

Miss Penton — "Have you grown up inside?"

Mrs. Reese — "Everyone will disappoint you at some time."

The 1979 Christian Womanhood Spectacular closed with many ladies having their lives changed.

BROKEN THINGS

Five broken loaves beside the sea and thousands fed
As Thy hand, Lord, in breaking, blessed the bread.
Men would the throng in emptiness have sent away
Whose need was met with broken bread that day.

A broken vase of priceless worth rich fragrance shed
In ointment poured in worship on Thy head.
A lovely thing all shattered thus — "What waste," they thought.
But Mary's deed of love Thy blessing brought.

A broken form upon the cross and souls set free.
Thy anguish there has paid the penalty —
Sin's awful price in riven flesh and pain and blood —
Redemption's cost, the broken Lamb of God.

Oh, break my life if need must be.
No longer mine, I give it Thee.
Oh, break my will; the off'ring take.
For blessing comes when Thou dost break.

— Bob Jones, Jr.

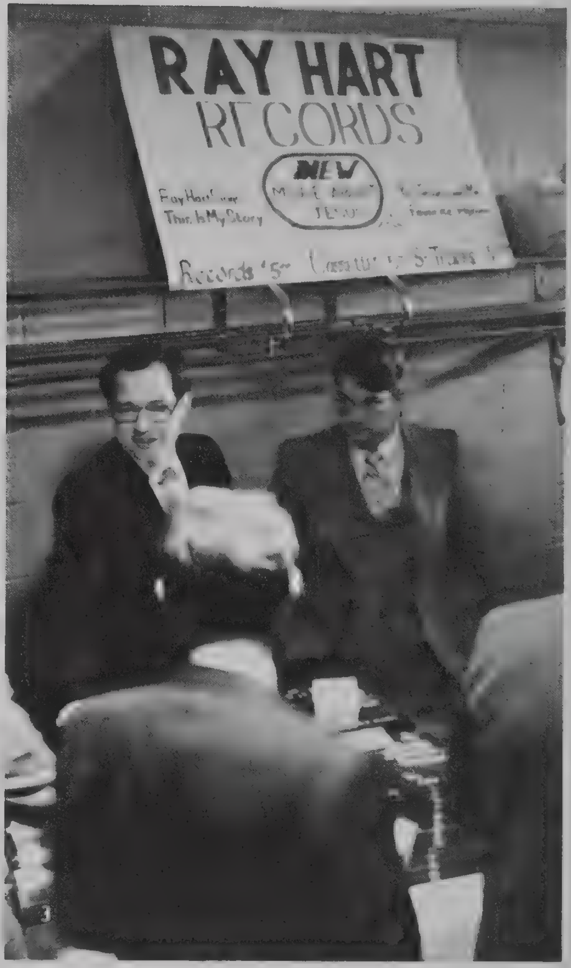
PASTORS' SCHOOL 1980



Pastors' School was a time of excitement for the college students. Many volunteered to work in booths, drive buses, or run errands. College students also were able to attend many of the evening sessions. Dr. Hyles spoke several times on the theme of Pastors' School — The Holy Spirit.

Students not only learned by sitting in the evening sessions, but also by working with people.

On Wednesday evening an evangelistic service was held at the Hammond Civic Center with Dr. Curtis Hutson preaching. Students spent many hours that day soul winning. At the end of the service on Wednesday evening, several dozen people went forward for salvation and many were baptized in a baptistry brought to the Civic Center for this service.

GRADUATION

Hyles-Anderson College

The day of graduation brought much enthusiasm and reminiscing.

In the morning all of those who had a part in the evening service met for graduation practice. The students and faculty members marched in the auditorium several times and were given instructions on how to receive their diplomas. After the practice session was over, everyone met by the lake at the college where a picnic lunch was served.
